

FIG. 1

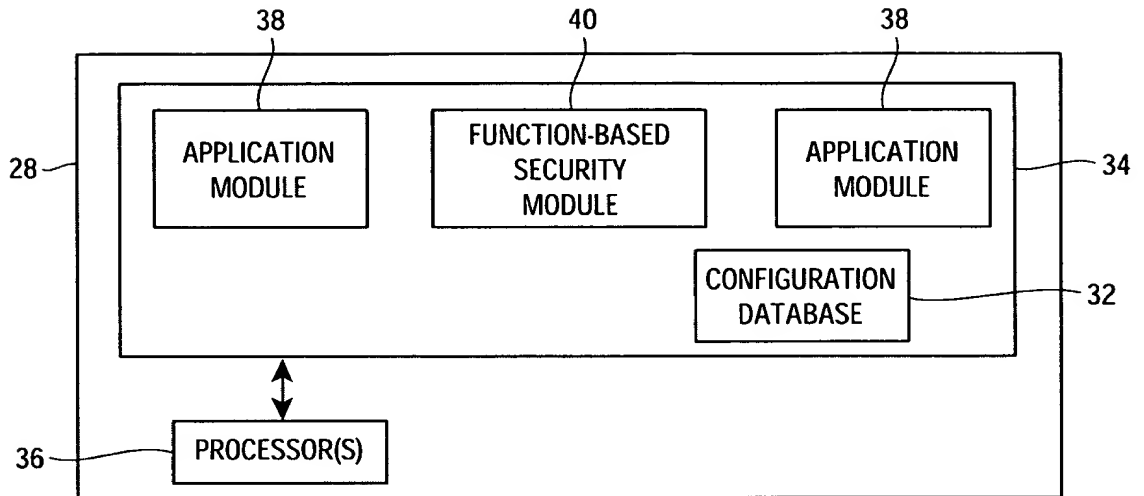

FIG. 2

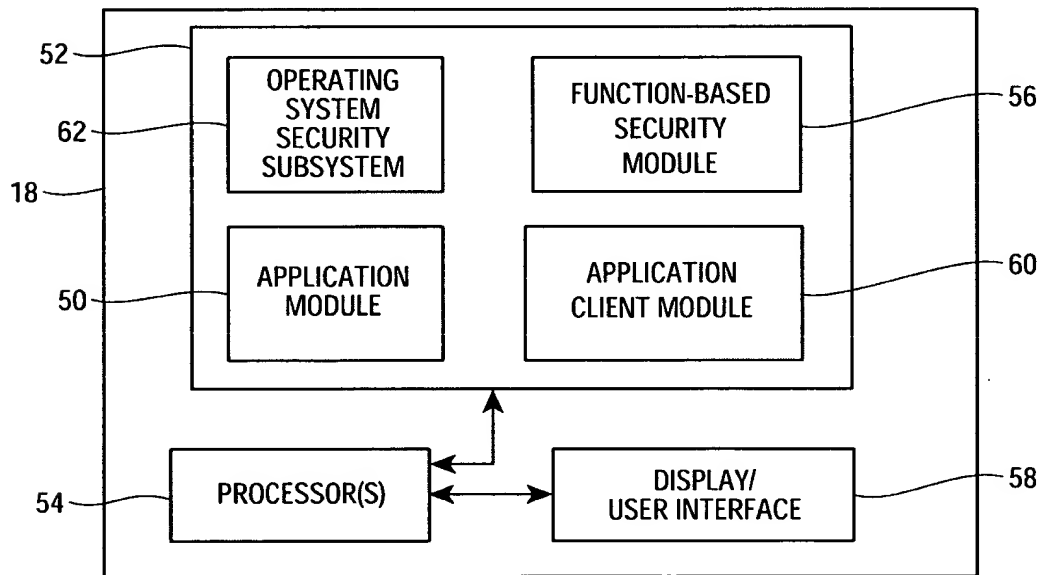

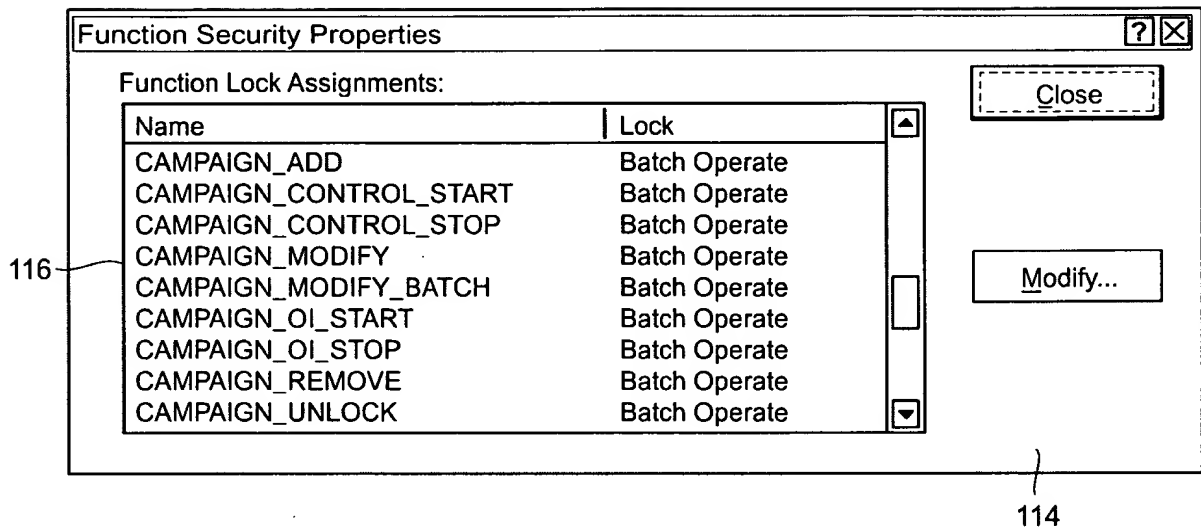

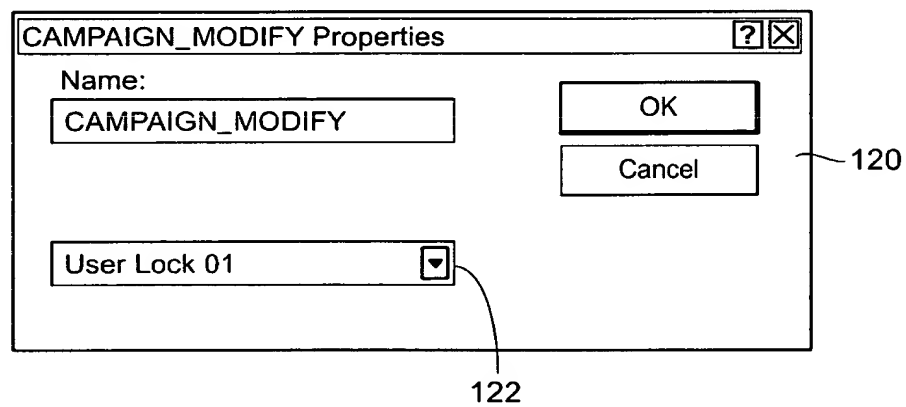

FIG. 3

The screenshot shows the 'System Configuration and Defaults' dialog box with the 'Batch Executive Connection' tab selected. The 'Batch Executive Name' is 'DVBD_APPSTAT <Local>' and the 'Number of Decimal Places' is 2. The 'Status Bar Font' is 'Arial', size 10, bold. The 'Screen Size (%)' is 100% for both horizontal and vertical. The 'Splitter Bar Size' is 6 for both horizontal and vertical. The 'Commands' section includes Start, Hold, Restart, Abort, Stop, Reset, Manual, Pause, Resume, Auto, Single Step, Add Batch, Remove Batch, Step Change, Clear Failures, Acquire, Release, Prompts, Parameters, and User Comments. The 'Active Phase Summary' section includes Enable, Prompts, Confirm, and Verify checkboxes. The 'Unit Procedures Table' and 'General' tabs are also visible.
